

MAGNUS FIENNES

COMPOSER

Magnus Fiennes is a highly successful film and television composer, record producer and songwriter. He has worked with artists such as **Pulp**, **Tom Jones** and **Morcheeba**. In 1997 he produced the **All Saints** million seller single **Never Ever** - a No. 4 in the US and No. 1 throughout Europe; producing and co-writing on their eponymous 5 million selling album. He has composed several major film scores, including **Onegin**, and **Chromophobia**, starring Penelope Cruz, Ralph Fiennes & Ben Chaplin. He has scored numerous commercials and TV shows including the highly successful BBC drama **Hustle**. He most recently completed creating and developing the \$20 million animated cartoon series **Freefonix**. Magnus recently scored and wrote the themes for **Vital Signs**, a Tiger Aspect production, as well as scoring and writing the themes for **Caspar The Friendly Ghost** the feature sequel for Classic Media USA. He recently completed scoring the fifth series of **Hustle** for the BBC, having also scored series one, two and three. He scored **Murphy's Law** for Tiger Aspect, the dark thriller **Five Days**, a BBC/HBO co-production for which he wrote a wonderfully evocative opening titles song, and **Last Enemy** for Box TV. Magnus recently completed scoring the gritty and tough drama, **The Fixer**, for Kudos, and is currently scoring the second series. He also scored the feature film **Rounding Up Donkeys** for Sigma Films.

As an in demand producer arranger programmer and re-mixer, Magnus has worked with a diverse range of artists including **Jamelia**, **Neneh Cherry**, **Marriane Faithful**, **Bryan Ferry**, **Hal David**, **Seal**, **Yello**, **Eagle-Eye Cherry**, **David McAlmont**, **Ian McCulloch**, **Roland Gift**, **Lenny Kravitz**, **Liberty X**, **Nigel Kennedy**, **Daniel Lanois**, **Trilok Gurtu**, **Damien Hirst**, **Dot Allison**, **Geneva** and **Metisse** as well as pop acts such as the **Spice Girls** and **Boyzone**. He also composed and produced much of the two multi-million selling albums from the controversial all-girl classical quartet **Bond**.

Recent work includes producing the double platinum 'Watching Angels Mend' for Australian singer songwriter **Alex Lloyd**, a collaboration with prestigious Canadian violinist **Lara St John** on a ground-breaking album of 'Bach With Beats' for Sony Classical, co-writing material with **Massive Attack** and **The Sugababes** and co-writing and producing album tracks and singles for **Bertine Zetlitz** (a Norwegian number one).
