

# NICHOLAS HOOPER

---

## COMPOSER

Nicholas Hooper is one of Europe's leading composers, having written and produced music for over 250 films, dramas and documentaries since 1990; he has developed a reputation for producing music that is original, inspiring and always colourful.

His scores have received several major accolades; most recently he won the **2007 BAFTA Award for Best Original Music** for his stunning score to Helen Mirren's *Prime Suspect – the Final Act*, and was nominated for a **2006 BAFTA** for his score to the acclaimed drama ***The Girl In The Café***. In 2004 he won the **BAFTA for Best Original Score** for ***The Young Visitors***, and was also nominated for the critically acclaimed ***State of Play***. Prior to this he was also BAFTA nominated for the BBC series ***The Way We Live Now***. In 1998 he won the coveted **Golden Panda Award** for ***Land of the Tiger***, a major BBC documentary series on India. The following year he won again (having been nominated for three separate scores), making him the first composer to win the award consecutively. He recently completed the score to Philip Martin's feature ***Einstein And Eddington*** starring David Tennant as Sir Arthur Eddington and Andy Serkis as Albert Einstein, for Company Pictures / HBO. He also recently finished the score to ***Belonging*** for BBC Wales Drama.

He has received many accolades for his feature films including the recent period feature ***The Heart Of Me***, starring Helena Bonham Carter and Olivia Williams, and ***The Tichbourne Claimant*** (a quote from *Variety*: "*Nicholas Hooper's alert symphonic score rates a major bow, adding shape and atmosphere to the labyrinthine tale*").

Most recently Nicholas has received great critical acclaim for his stunning score to ***Harry Potter and the Order of the Phoenix*** for Warner Bros: "*Let there be no doubt: Hooper's reputation is cemented with this work, and his career just shifted gears.*" Daniel Champion, *Music from the Movies*, July 2007. Nicholas is currently scoring ***Harry Potter and the Half Blood Prince***, director David Yates's follow up to his hugely successful "***Order of the Phoenix***".
